Vision: Jefferson Elementary is an inclusive community where every family is engaged and all students are welcome, inspired and thriving.

Mission: The mission of JPC is to foster a vibrant and healthy learning and social environment at Jefferson Elementary for all students through meaningful engagement of and support for teachers and families.

Guiding Principles

JPC works to create a school community that is
Equitable and inclusive
Student centered
Innovative, creative and fun and
Enriches students' academic, social and cultural experiences

As such, we seek to operate a Parent Council that communicates well with and involves all willing families as part of our commitment to be

Accountable
Fiscally responsible and
Transparent
